Dear Parents,

We have had a busy half term and have enjoyed getting to know each other. This week we have our second whole school lunch, after tutorial and assembly when certificates of commendation will be awarded.

Trips so far

Our trips so far have been very successful. Students have tried their physical strength and sense of adventure in an outdoor pursuits centre, seen the new Magritte Museum and on Friday 30 MY4 and 5 will go on a Science trip.

Other dates for your diary:

MY2-4 trip to Ieper

Please note that the group will leave school early (8.00 am) for this trip on Wednesday 18 November. A letter will follow after half term.

A calendar for November is attached: please note In-service day and holiday dates.

International Day

This was a great success and we thank all the parents who attended the lunch and who brought food for us to share. While BEPS pupils were parading in the gym WIS students came together to exchange information about their cultures and languages in a presentation session.

PTA

Many thanks to Mrs. Balasubramanian, Mrs. Rashwan, Mrs. Vermoesen and Mrs. Aleatany who have agreed to represent WIS in the PTA.

Exams

George has completed his IGCSE exam in English as a Second Language.

MY5

MY5 students will need to come back refreshed after the half term break. From November they will be preparing the mock exams which they will sit in January.

Parents' Evening 29 October

We look forward to meeting most of the parents again on Thursday 29 October to review progress.

The staff at WIS wish all students and parents a happy and restful break....

Yours sincerely,
Irène Flaherty
Director of Studies, WIS.
